Welcome

 all skaters to the Kerrisdale Skating Club (KFSC) 2020/2021 season!

Don't forget this year is different - you **MUST REGISTER AGAIN** for the January to March season! Watch your email and our website for the announcement of when Registration will be open.

President's Corner

We made it! Welcome back skaters! It was a LONG challenging spring and summer trying to organize and plan for a safe return to skating. Thank you for your patience - we really tried hard to make it happen sooner than it did - but FINALLY it happened.

Thanks for all the wonderful emails and phone calls of support after our donation to the Vancouver Food Bank on behalf of our members in the Spring! Thanks also to all the skaters who took part in the Off-Ice program that ran through Spring and Summer and for supporting our club -it meant a lot to us that you took part!

We hope you are enjoying skating - even though under such different circumstances and much fewer skaters allowed on the ice. Please be sure to answer the Health questions honestly each day that you arrive at the rink! It is an absolute must that we do everything we can to stay healthy, to watch out for each other and be respectful of social distancing every moment of the day including at the rink. We hope we won't be shut down again due to COVID.

We Will Get Through This!

Happy Skating!!

-Margot Delorme, KFSC President
